

The Glenn A. Harper Endowment Fund

For Preservation on the Ohio Historic National Road

Ohio National Road Association founding member, Glenn Harper, was honored on May 26, 2009 at the ONRA Board Meeting. Mr. Harper recently retired from the ONRA board after many years of distinguished service. Mr. Harper was presented with official proclamations from each of the 10 National Road counties in Ohio as well as proclamations from the ONRA Board and Ohio Governor Ted Strickland. Mr. Harper's passion for the National Road and its preservation were honored with the announcement of the [Glenn A. Harper Endowment for Preservation on the Ohio Historic National Road](#). This fund will be the source of matching funds or total funding for specifically selected preservation projects along Ohio's Historic National Road. The endowment was aptly named after Glenn Harper who has spent countless time and effort in bringing awareness to the preservation needs of the Road, and seeking the resources to remedy them. If you would like to donate to the fund, please fill out the following information and send it to the address below.
