An All – American Road National Scenic Byway

PRESS RELEASE

Date: May 23, 2011

From: Ohio National Road Association

Subject: Historic National Road Yard Sale

The Ohio National Road Association (ONRA) is pleased to announce the 6th Annual Historic National Road Yard Sale. The event begins Wednesday, June 1, 2011 and will continue through Sunday, June 5, 2011 and will take place along the National Road (US 40) in Belmont, Guernsey, Muskingum, Licking, Franklin, Madison, Clark, Miami, Montgomery and Preble counties in Ohio.

Whether you are looking for antiques or gently used household goods, furniture, toys, craft items, clothes, or collectibles, you will surely be able to find something you want. Each year, across the National Road (US 40) in Ohio, the participation rate has continued to rise. ONRA is hoping to make this year's shopping trip an educational opportunity for the buyers and sellers on the Historic National Road as ONRA members will also be traveling (and shopping...) the Road and passing out information concerning the grand history of the National Road in Ohio. This will enable ONRA to continue to promote the many historic treasures and splendor of the Road while providing a venue for a fun, five day shopping extravaganza. The yard sale is a great tool to draw attention not only to our organization, but more importantly, to the National Road.

For more details concerning the 6th Annual Historic National Road Yard Sale, please visit our website at www.ohionationalroad.org, or contact the Byway Coordinator Melanie Runkel at mrunkel@clarkcountyohio.gov or by phone at (937) 521-2129.

Thank you in advance for your support of the 6th Annual Historic National Road Yard Sale.
